Subject: Urgent request for transparency in the funding of the ANCWL elective conference

---

Dear Bheki Mtolo

Kindly be aware that we have obtained credible information from reliable sources that has alleged that the eThekweni Metro Municipality is set use public coffers to fund the African National Congress Woman's Leagues (ANCWL).

As you are aware, the conference took place at the Durban ICC from the 4<sup>th</sup>, and was intended to conclude on the 6<sup>th</sup>, however it was extended for an extra day.

However, we are giving yourself and your organisation the benefit of the doubt in this regard, and are requesting information on the following:

1. How was the ANCWL conference funded?
2. How much was paid towards to the conference?
3. If the ANC truly paid for the conference, we request that the contract between the party and the ICC be made public.

To this end, I request that you provide me with feedback within 7 (seven) days of receipt of this letter

Yours Faithfully
