Subject: Urgent request for your attention in the allegations of eThekwini Municipality funding ANCWL Elective Conference

---

Dear Musa Mbhele

We have been made aware of allegations against the eThekwini Municipality from a reliable source revealing that the Municipality has used public coffers to fund the ANCWL Elective Conference, which took place on the 4<sup>th</sup> until the 7<sup>th</sup> August of this year.

As the Acting City Manager, we are sure you understand the severity of these allegations, and the infringement it has on our Constitution and the Municipal Finance Management Act (MFMA), which states that the accounting officer has a responsibility to prevent irregular expenditure, and should irregular expenditure take place, you are responsible to report it.

Therefore, since you are the accounting officer for council funds, we are bringing these allegations to your attention, and request that you take caution to this and put a stop to the release of these funds to the ICC.

Should the City process the payment to the ICC, will hold you to account, and take legal action against you.

To this end, I request that you provide me with feedback within 7 (seven) days of receipt of this letter

Yours Faithfully
